MENLO PARK NEWS NOTES

Next Wednesday evening the people of Menlo Park will observe the holidays with a Christmas tree ceremony and program. The mammoth tree will be located near the old bank building on Santa Cruz avenue, and will be lighted at 7:30 o'clock.

The high school band will regale all with sweet music. Boy Scouts will be in attendance to lend their aid to the affair, and candy will be distributed by a bevy of beautiful girls.

There will be an open house for all after completion of the program, and young and old will enjoy a few hours of dancing at the Blue Moon dance hall.

It is to be a gala evening and all should attend.

Installation of officers for Menlo Park Lodge No. 651, Free and Accepted Masons, will take place at a meeting next Friday, December 17, in the Masonic Hall. Sojourning Masons are invited to attend the ceremony, which will be preceded by a banquet.

The following officers have been elected for the ensuing year:

Worshipful master, Frank D. Hill; senior warden, John I. Cleese; junior warden, Herbert A. McKechnie; treasurer, Charles W. Palmer; secretary, Dr. J. Ross Hardy; chaplain, Joseph Veverka; senior deacon, J. Harvey Brown; junior deacon, Chester B. Buckhout; senior steward, J. Walter Grant; tiler, Frank S. Becker.

Those attending the Christmas candlelight tea to be given as a benefit for the sisters of Corpus Christi Monastery this afternoon in the parish hall of Church of the Nativity, Menlo Park, will be entertained by a program of unusual excellence and interest.

The boys' vested choir of 45 voices from Saint James School, San Francisco, will open the entertainment with a group of songs which will include "La Golondrina" by Sarrodell, "Tales from the Vienna Woods" by Strauss, "Come Where the Lilies Bloom" by Thompson. The choir will also assist in two dramatic episodes, singing beautiful sacred numbers the action requires.

The Clay M. Greene Players of Santa Clara University are to present an episode from "Murder in the Cathedral," with James Doherty in the role of Thomas A' Becket, martyred archbishop of Canterbury.

The beautiful old French legend, "Our Lady's Juggler," will be interpreted by Roberta and Delores Hardwick of Palo Alto.

Handmade gift articles and homemade delicacies are to be on sale.

Decorations will blend the pungent beauty of Christmas greenery with the gentle glow of candelabra. Mrs. Louis Diebels and Mrs. Walter Baker will pour. Admission will be a silver offering.

Engagement of Miss Dolores Spamer and Robert George Starkweather has been announced. The pretty bride-to-be is a graduate of Sacred Heart Academy, Menlo Park.

The regular meeting of Menlo Park American Legion Auxiliary, Unit 443, has been called for 7:30 p.m. next Tuesday, December 14, in order that members can pack candy which the Business Men's Association will give to children at the Christmas celebration Wednesday night.

The many friends of Mrs. Carroll A. Devol are sorry to learn she is in the hospital in the Panama Canal Zone. Mrs. Devol and her granddaughter, Miss Dora Brett, sailed for Panama last month to visit relatives during the winter months.

Billy Lindquist, who was quite sick for two weeks, has recovered sufficiently to return to school.

Twenty-sixth district, American Legion, put on a Thanksgiving vaudeville show last Friday at the Veterans' Administration Facility under sponsorship of the hospital chairman, Mrs. Isabelle Weeden Lindquist.

Among the numbers were the following specialties from the Lillian Wiehr studios, Redwood City: Dance, Fern Davis; song, "Four 'Big' Girls;" ballet, Angelina Jakubik; "rube" number, Lillian Wiehr; hula dance, Rita Barrientos; bowery dance, Nettie Salton; song, Arnold Robleto; tap dance, Robert Lauten; "Canadian Capers," Lillian Wiehr.

Piano solo, Joe Robleto; song, Beth Carlock; apache dance, Barbara Wiehr and Arnold Robleto; oriental dance, Angelina Jakubik; piano duo, Ruth Robleto and son.

Two 1938 Ford V-8 Cars Displayed

TWO distinct lines of Ford V-8 cars are now being displayed in dealer showrooms. One is a newly-styled standard Ford line in three body types, the other a de luxe Ford line in eight body types. The de luxe Tudor sedan is pictured above. The de luxe sedans are larger in appearance, with longer hood and sweeping lines. The de luxe cars are powered with the 85 horsepower V-8 engine, the standard cars with either the 85 or the 60 horsepower engines. Newly-styled interiors are pictured at right. New instrument panel has instrument group in front of driver, grille for radio speaker installation in center, flanked by engine controls and cigar lighter, and glove compartment at right. In the de luxe cars, the compartment locks, and a clock is recessed in the compartment door.

A headlight beam control is fitted on the toe-board, a tell-tale light on instrument panel indicates whether the headlight beams are raised or depressed.

Gift Chevrolet Plan Offered

There will be a number of greatly surprised families in Redwood City on Christmas morning according to Al Davies of the Davies Auto Company.

"Our plan of surprise Christmas morning delivery of new 1938 Chevrolet cars has met with a lot of interest and already we have arranged for the delivery of quite a number of these surprise cars," remarked Davies.

"Those who order cars for Christmas delivery want their gift to be an absolute surprise and we take every precaution to make it so. For example, no name tags are placed on the Christmas cars; and as an extra guard against a "leak" we keep all orders, papers, etc., locked up in our safe.

"Delivery of these new 1938 Christmas Chevrolets will be made at each home at the exact time specified; and by exact we mean just that, so that there will be no hitch in individual plans for making the surprise a real one.

"The idea of surprising the family with a new car appeals to many people for several reasons. First, the average car owner has a car with a trade-in value equivalent to the entire down payment. Next, a new Chevrolet is a gift that brings appreciation and happiness not only on Christmas Day, but throughout the entire year. And finally, we find that a new car appeals to many, as a better and wiser investment than spending money for new tires, new battery and other items of upkeep expense on the old car."

FIRST SHOWINGS AT SEQUOIA

Following closely on the hee's of "Lost Horizon" at the Sequoia Theater comes "The Awful Truth," another of the much heralded Columbia better-features. This will have its premiere showings on the peninsula at the Fox Sequoia Theater this Sunday, Monday and Tuesday. The Jones Family in "Borrowing Trouble" will also be shown.

Sequoia to Grow Plants in Water

A hydroponic tank for growing plants in water instead of in soil has been purchased for the Sequoia High School biology classes. Said to be capable of causing plants to produce a more abundant product than in soil, the tank will be used by the class to study plant growth. Roots of the plants can be seen through a glass side to watch the progress of growth.

Birds put on heavier clothes in winter by growing extra feathers.

Of the United Kingdom (England and Ireland), 620,000 acres are submerged with water at each period of high tide.

Toy Stack Show Set for Kiddies Next Wednesday

To aid with the collection of toys for children of Redwood City's needy families while at the same time giving pleasure to children of more fortunate families, A. C. Ackerman, manager of the Redwood Theater, today announced that he will present a special children's matinee at the theater.

Admission "charge" for the matinee, which is to be held next Wednesday afternoon at 3:45 o'clock, will be one new toy. The hour of 3:45 has been chosen so as not to interfere with classes at the elementary, grammar or high schools and yet give the children time to reach the theater after school has been dismissed.

Announcement of the bill to be shown will be made in a few days, Ackerman revealed.

The matinee will be one of two to be given in Redwood City for kiddies during the yuletide. The Exchange Club and the Sequoia Theater will sponsor a free show late yesterday and today, but the need still far exceeds the supply. Donations may be taken to the high school or left at The Tribune office.

Compliment Paid New Deputy Clerk

Carl E. Peterson, new chief deputy county clerk, and Sidney P. Hinman, who succeeds Peterson as clerk in Department 2 of the superior court, have assumed their new duties.

County Clerk William H. Augustus paid high compliment to both appointees.

"Mr. Peterson has been a faithful and efficient deputy, and has fitted well into the various activities of the office. Mr. Hinman has all the qualifications to fill efficiently the position of court clerk," Augustus said. "He is well educated and has had the special training necessary for one who holds such a position."

Augustus, in explaining his appointments, said he endorsed the provisions of the county charter providing for the promotion of those in county service who are qualified and "rightfully entitled to such consideration" when opportunities are presented.

In deference to Homer Hargrave, court clerk in Department 1, who has been in county service longer than Peterson, Augustus explained that Hargrave did not wish to change positions, choosing to continue as court clerk to continue his law studies.

BURGLAR IN CHIEF'S HOUSE

BURLINGAME, Dec. 8—Boldness of a youthful burglar who attempted to enter the home of Police Chief John J. Harper, Burlingame, last night almost proved his downfall, but the elusiveness of the man prevented his arrest. Chief Harper noted the man as he drove his car into the driveway at 1:30 a. m. He hastened to the front of the house just in time to see the man flee.

Johnson Named To Woodside Post

Duties of the late Clarence Wikoff, special deputy sheriff who was killed in an automobile accident in Woodside Wednesday, were taken over Sunday by Henry Johnson, well-known resident of the Woodside district.

Johnson begins his work as special deputy in the Woodside-Portola communities with authorization of Sheriff James J. McGrath and with satisfaction to Mrs. May Wikoff of Redwood City, widow of the former deputy, it was announced.

Johnson, with 16 years of experience as an officer, served five years as a prison guard at the Tennessee State Penitentiary at Brushy Mountain; three years as a guard at Alcatraz Federal Prison, and has been acting as a special deputy sheriff here.

With his wife, Johnson, who has been living at the Ormondale Ranch at Portola, plans to reestablish the family home at their house near the Las Pulgas road, where they formerly lived.

Johnson belongs to Post 69, Veterans of Foreign Wars, Palo Alto; Post 443, American Legion, Menlo Park, and the Woodside Volunteer Fire Department.

One innovation planned by the new deputy is addition of a radio patrol system.

Evening Fire Perils Woodside Residence

WOODSIDE, Dec. 7—Fire which periled the Oliver Dibble home on the Kings Mountain road was extinguished quickly by the Woodside Fire Department last night about 7 o'clock.

The fire was confined to the room in which it started—the bedroom of the Filipino house man—firemen reported. Damage was not serious.

Student Describes Summer Trip Abroad

Allen Isaksen, senior student, and the school band shared interest at the student assembly held yesterday at Sequoia high school.

Isaksen described to his schoolmates a summer trip to Europe, while the band of 45 pieces played three selections under direction of Vernon Wallace, acting conductor.

The band's numbers were "Light Cavalary," overture by Von Suppee; "Waltz" by Brahms, and "Country Gardens," an English folk tune, by Percy Granger.

Leaving Redwood City July 1, Isaksen went by train to Utah, and from there hitch-hiked his way to Washington, D. C., where he met an old friend and Sequoia alumnus, William Wardlaw, who had been living in the capital. Together they proceeded on to New York, taking a boat to Holland, and traveling then to Belgium and Germany by train. Staying at the youth hostels, the two young men remained in Germany for a week. From Germany, Isaksen went to Denmark, where he visited relatives.

Isaksen contrasted methods of transportation in Denmark and America, pointing out that because of the shortage of gasoline, there are few automobiles, and much transportation is by bicycle.

He declared that he was impressed with the cleanliness of everything in the countries he visited and said that, except for a shortage of butter in Germany, he had no complaints about European food.

Back in this country, Isaksen returned to California by way of the South, visiting the states there and stopping at the Grand Canyon and Boulder Dam.

Sequoia Wins, Loses At Modesto Debate

Sequoia high school debating teams, entered in the freshman and sophomore lower division section of an all-day tournament at Modesto Saturday, won two contests and lost two, Mrs. John D. Peck, their adviser, reported here.

Question used was "Resolved: That the extension of consumer cooperatives would contribute to the public welfare."

Students going to Modesto were Benny Iijima, Willis Rosser, Isabel Garcia, Margaret Wright and Esther Colton. They were accompanied by Mrs. Peck.

The contest scheduled for Wednesday with Cupertino on the question of unicameral legislatures has been canceled.

Dean Cromwell, John Barrymore, Gary Cooper, and Bugs Baer all were cartoonists before attaining success in their present fields.

10 More Days Given Of 'Legal Death'

William F. Griese, who lawyers claimed is alive and employed in Belmont, had 10 more days of legal death today.

Last Friday, a jury declared him dead in ruling on a suit brought by Mrs. Griese for insurance. Yesterday the Metropolitan Life Insurance Company filed in circuit court in Chicago two affidavits stating he was living, and the court set December 17 for hearing on a motion for a new trial, the Associated Press reported.

Company attorneys said after the court session they had received photographs of Griese and a sample of his handwriting which they would submit, together with an affidavit from him.

Mrs. Griese's attorney, Henry W. Kenoe, said out of court she probably would drop the suit if evidence proved the man was alive.
